Dear Jonathan:

On behalf of the Foundation Center-Atlanta, I would like to thank you for participating in the Meet the Funder Program for homeless service providers to our constituents on Thursday, June 19th. We understand the time and effort it takes to prepare for a presentation and we greatly appreciate you taking that time for us.

There is always great interest from our constituents to hear from community leaders. I look forward to inviting you back for another presentation so our constituents can learn more about the collaborative efforts that are taking place to end chronic homelessness.

Again, thank you for the time and energy you have shared with the Foundation Center. I look forward to having you present again.

Best Regards,

Asia M. Hadley, MA/MPA
