## GREATER ACCRA REGION

We are excited to share the latest highlights from our impactful community initiatives in the Greater Accra Region. In Adentan, our inaugural health fair was graced by the esteemed presence of Okyeame Kwame, the renowned Ghanaian musician, songwriter, popularly known as the "Rap Doctor," whose philanthropic spirit added a special touch to the event.

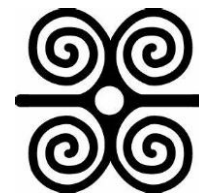

Additionally, our collaboration with Diaspora and the Ghana Tourism Authority (GTA) brought forth an incredible back-to-school event at Potter's Village. Thanks to the generous funding from our Diaspora friends including Sigma Gamma Sorority Inc, we were able to provide not only educational supplies such as laptops, bags, and books but also crucial facilities such as total of four toilets and two washrooms.

## CENTRAL REGION

In the enchanting locales of Kuntense, Cape Coast Castle, Asempaneye, Yenkwaa, and Obohene, a powerful collaboration has taken root. The esteemed members of the Omega Psi Fraternity Inc. joined hands with Team CSR Ghana, creating a formidable force dedicated to ushering in significant positive change.

The impact of this collaboration is tangible, with multiple mechanized boreholes now dotting these communities, providing a reliable and sustainable source of clean water. This crucial addition addresses a fundamental need and contributes immensely to the overall well-being of the residents.

Another standout achievement in this transformative journey is the refurbishment of critical infrastructure, notably the iconic Cape Coast Castle. As a historical landmark with deep cultural significance, the restoration of Cape Coast Castle stands as a testament to the collective dedication. This refurbishment not only preserves the rich heritage of the region but also enhances the quality of life for the community members and tourists.

ABBREVIATION FOR **CSR?**

This acronym underscores our commitment to continuous training, targeted assessment of community needs, and the measurement of tangible impact. Together, these principles guide our NGO in our holistic approach, ensuring that our collaborative efforts result in meaningful and sustainable positive change in Ghana.

## EASTERN REGION

Larteh Presby Senior High/Tech. Sch received a generous donation of laptops, enhancing educational resources, while Apegesu Asuogyaman now benefits from the installation of mechanized boreholes, significantly improving water accessibility for the community. In Nyame Bekyere, an IT Center has been established, providing a hub for educational empowerment, thanks to collaborative efforts with Sigma Gamma Rho Sorority Inc.

Notably, Mr. Jonathan Akuamoah, the esteemed CEO and Founder of Team CSR Ghana, was honored with an award at Apegesu Asuogyaman for his exceptional contribution to the construction of these boreholes, positively impacting over 11,000 lives.

FEATURE STORY:

## **Sigma Gamma Rho Sorority, Inc.**

### **A Beacon of Global Service**

In the heart of our newsletter shines a remarkable feature story illuminating the impactful endeavors of Sigma Gamma Rho Sorority, Inc. (ΣΓΡ). This historically significant organization, born out of the visionary efforts of seven African American women in Indianapolis, Indiana, in 1920, has since evolved into a global force for positive change.

With a membership exceeding 100,000 and a network spanning more than 500 chapters globally, Sigma Gamma Rho stands as a testament to the enduring legacy of service and community empowerment.

In 2023, the sorority's commitment to impactful initiatives came to life as they raised funds for the renovation of Cape Coast Castle, a poignant historical landmark known as the Slave Castle.

The feature story unfolds across, reaching Nyame Bekeyere Community, where Sigma Gamma Rho, in collaboration with Team CSR Ghana, established an IT Center, a beacon of educational advancement. A generous donation of \$9,500 further underscored their commitment to supporting the community's holistic development.

Heading to Greater Accra, the collaboration between Sigma Gamma Rho and Team CSR Ghana materialized in the construction of a 4-toilet facility with 2 washrooms at Potters Village. This transformative initiative not only provided crucial infrastructure but also contributed to the well-being of over 150 children rescued from abuse and abandonment in Ghana. The installation of a mechanized borehole further emphasized the collaboration's dedication to sustainable community development.

Venturing into the Ashanti Region, Sigma Gamma Rho's impact continued with the construction of a toilet facility and a mechanized borehole in Ntonso, showcasing a commitment to comprehensive community welfare.

The feature story reaches its pinnacle with Sigma Gamma Rho Sorority, Inc.'s poignant contribution to healthcare. A generous donation of \$22,000.00 was made to the Korle Bu Teaching Hospital, aimed at supporting mothers facing financial constraints in settling their hospital clearance bills. Their endeavors, chronicled in this narrative, exemplify a legacy of positive change that continues to resonate worldwide.

## WESTERN REGION

Communities in Bankrumisa, Amoda, and Nipahiamboa are witnessing positive transformations through impactful projects backed by Genser Energy, particularly the installation of crucial mechanized boreholes. These initiatives not only address water scarcity but also lay the groundwork for sustainable community development. The projects, part of the 1 Community 1 Borehole Project (1C1B), not only alleviate water scarcity but also contribute significantly to improved sanitation, health, and overall community well-being.

Under the banner of 1C1B, this partnership signifies a shared commitment to social responsibility, environmental stewardship, and recognizing the transformative power of providing clean water to communities in need. As we move forward, stay tuned for updates on the progress of the 1C1B projects in 2024. Together, we are actively working towards making a lasting impact and fostering positive change in the Western North Region.

***TCSR provided 3 boreholes for 3 communities in the Western region, benefiting 6,200 community members. The project was sponsored by Genser gas company and cost GHC 120,000.00***

## MESSAGE FROM CEO/ FOUNDER

Mr. Jonathan K. Akuamoah

I am thrilled to share a heartfelt message of gratitude and accomplishment as we reflect on the incredible strides we made in 2023. Together, we successfully raised a remarkable three (3) million Ghana cedis, a testament to the collective power of our shared vision for positive change.

The realization of \$100,000 worth of impactful projects, facilitated by Team CSR with unwavering support from our Diaspora friends, stands as a beacon of our commitment to making a meaningful difference. To the 300 phenomenal women who graced us with their presence at the end of the year for the commissioning of these projects, your contributions and dedication are truly commendable.

A special thank you is extended to the immensely talented Okyeame Kwame for his continued support and inspiration. Additionally, the collaboration with the Omega Psi Phi Fraternity, Inc. ( $\Omega\Psi\Phi$ ) has been instrumental in amplifying our impact, showcasing the strength that arises when like-minded organizations join forces for a common cause.

As we celebrate these achievements, let us remain focused on the journey ahead. Together, we are not just raising funds; we are building bridges, creating opportunities, and positively transforming lives. The year 2023 was a testament to the remarkable things we can achieve when we come together with purpose.

With sincere gratitude.
