Newsletter Highlight

In 2024, TEAM CSR Ghana successfully raised over two million Ghana cedis (GHC 2,000,000) to positively impact the lives of more than 40,000 Ghanaians across six regions of the country.

Through the generous support of our friends and partners in the USA, Canada, Panama, and other countries worldwide, we brought meaningful change to our brothers and sisters in need.

Our efforts reached individuals in the Ashanti Region, Central Region, Eastern Region, Western Region, Greater Accra Region, and Northern Region.

This incredible success was made possible thanks to our dedicated partners and organizations in the diaspora, including the D9, church groups, businesses, and other contributors.

Their actions show that giving back and serving others is not just a mandate but a reflection of a caring spirit deeply ingrained in their mottos, principles, and hearts.

We also extend our heartfelt gratitude to Ghanaian businesses and superstars, such as Okyeame Kwame, for their unwavering support in making this mission a reality.

BOREHOLES PROJECTS

TEAM CSR Ghana is proud to announce the successful construction of 19 boreholes across all regions of Ghana. This initiative marks a significant milestone in our mission to improve access to clean and safe water for communities nationwide.

The availability of clean water has had a profound impact on the health and well-being of residents, helping to curb the spread of waterborne diseases such as cholera, dysentery, and typhoid. By ensuring safe drinking water, we are not only promoting healthier lives but also reducing healthcare expenses for families and communities.

Beyond health, the boreholes have fostered socio-economic growth in various regions. Access to reliable water sources has empowered women and children, who previously spent hours fetching water, to engage in productive activities and education. Farmers now have a dependable water supply for irrigation, enhancing agricultural productivity and food security. Small businesses, too, have flourished, leveraging water availability for operations and trade.

TEAM CSR Ghana remains committed to sustainable development and community empowerment. We extend our heartfelt gratitude to our partners, stakeholders, and the communities we serve for their unwavering support. Together, we are building a healthier, more prosperous Ghana.

EASTERN REGION

The Eastern Region of Ghana is celebrated for its rich cultural heritage, stunning landscapes, and thriving agricultural industry, particularly in cocoa and palm oil.

In 2024, TEAM CSR Ghana brought transformative change to several communities within the region through its borehole projects. Towns such as Adukrom, Adukrom Nyensi, Adukrom Nkwanta, Adukrom Ogua, Adukrom Quarters, Adukrom Hospital, Asamankese, Ahwease, Ashifila, Debgeti, Kyekyere, Frankadua, and Npakadan were among the beneficiaries of these initiatives.

TEAM CSR Ghana's boreholes provided clean and safe water, significantly reducing waterborne diseases, improving sanitation, and empowering residents by alleviating the burden of fetching water from distant sources. This intervention not only improved the health and well-being of these communities but also created a sustainable impact, giving residents more time for education and economic activities.

This success was made possible thanks to the generous contributions of various donors, including Father Akuamoah Charities, in beloved memory of Rev. Samuel Akuamoah, founded by Mrs. Grace Akuamoah, Erica M. Daniel, HAEC 100K Strong Africa, and Dr. Joyce Cole-Marion of Marion Counseling Services. Their commitment to social responsibility and giving back has been instrumental in improving lives in these underserved communities, making a lasting difference in the lives of countless individuals across the Eastern Region.

EASTERN REGION

WESTERN REGION

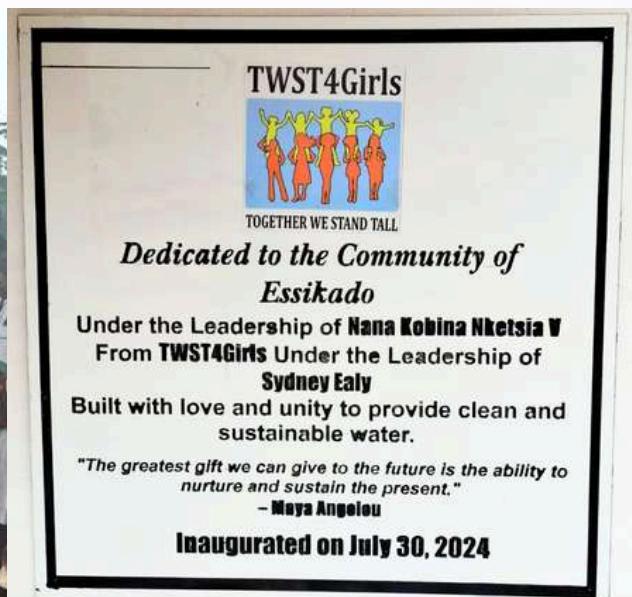

In the Western Region of Ghana, TEAM CSR Ghana made a remarkable impact in 2024 by constructing a borehole in the town of Essikado, benefiting over 2,500 lives. Before this intervention, residents of Essikado faced the daily challenge of accessing clean and safe water, often having to travel long distances to fetch water from unreliable sources.

This new borehole has significantly improved the community's access to potable water, reducing the risk of waterborne diseases and promoting better hygiene practices. The availability of clean water has had a transformative effect on the daily lives of the people in Essikado, particularly for women and children who traditionally bear the responsibility of water collection.

With this borehole, TEAM CSR Ghana has not only provided a crucial resource but also empowered the community to focus on other important aspects of life, including education, economic activities, and overall well-being. The initiative has fostered a healthier, more sustainable environment, as residents no longer have to spend hours collecting water, thus gaining more time for productive endeavors.

This impactful project was made possible under the leadership of Nana Kobina Nketsia V. from Twist4Girls, alongside Sydney Ealy. Their guidance and commitment to the community's well-being played a key role in bringing this vital resource to the people of Essikado, marking a new chapter of progress and development for the town.

ASHANTI REGION

In the Ashanti Region, TEAM CSR Ghana made a significant impact in 2024 by facilitating the construction of boreholes that have transformed the lives of local communities. A borehole was generously donated to the Botenso Community by Guy Chambers and Soros Keshia Chambers. This vital resource has greatly improved access to clean and safe water, enhancing sanitation, reducing waterborne diseases, and empowering residents to focus on education, economic activities, and other important endeavors.

Additionally, a borehole was constructed at Abenase in collaboration with the community's Queen Mother, Akosua. This initiative further strengthened the region's access to potable water, addressing longstanding challenges faced by residents. Both projects have alleviated the burden of water collection, creating opportunities for better education, health, and overall development.

TEAM CSR Ghana, with the invaluable support of its donors, continues to play a pivotal role in transforming lives across the Ashanti Region. Through these efforts, communities are not only gaining access to essential resources but are also being empowered to build healthier and more sustainable futures.

GREATER ACCRA REGION

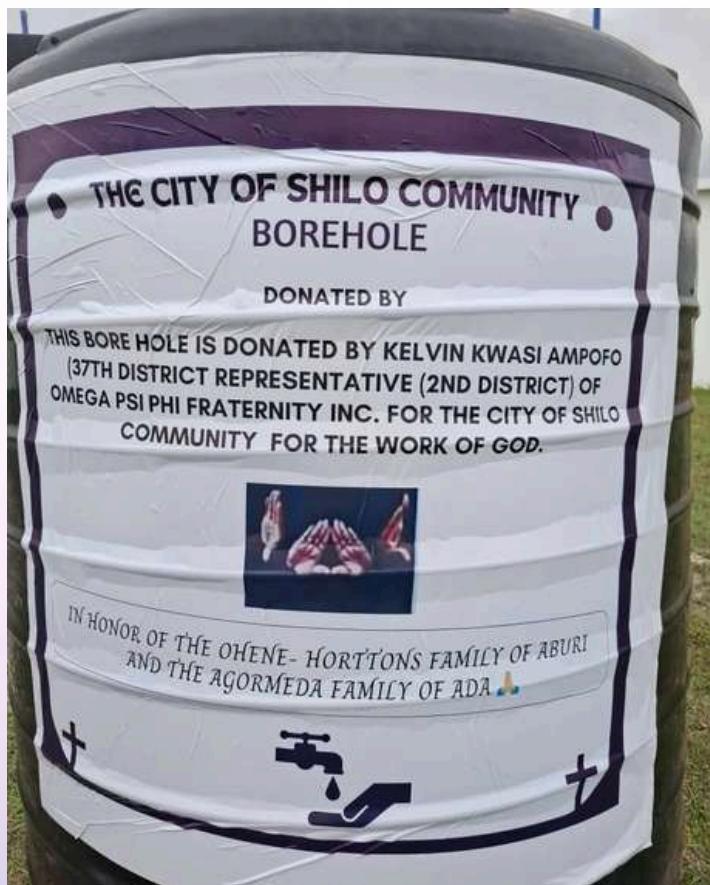

In Greater Accra, in Accra, TEAM CSR Ghana made a significant contribution in 2024 with the installation of a borehole at Shilo Community. This intervention provided the community with reliable access to clean water, improving sanitation and reducing the risk of waterborne diseases. The availability of safe water has enhanced the well-being of residents, allowing them to focus on their daily activities without the burden of water scarcity.

The Shilo Community borehole was generously donated by Kwasi Ampofo, the 37th District Representative (2nd District) of Omega Psi Phi Fraternity, Inc., in honor of the Ohene-Horttons family of Aburi and the Agormeda Family of Ada. Their legacy and commitment to social responsibility have had a lasting impact on the community and its surrounding areas.

Additionally, TEAM CSR Ghana hosted its 2nd Annual Easter Health Fair in collaboration with the La Nkwantanang Madina Municipal Assembly. The event featured an array of impactful activities, including free National Health Insurance Scheme (NHIS) sign-ups, health screenings, face paintings, and fun activities for children. Attendees were also treated to free meals, fostering an inclusive and joyous atmosphere for all.

This health fair addressed critical health and wellness needs while promoting community engagement and celebration. Through initiatives such as the borehole installation and the Easter Health Fair, TEAM CSR Ghana continues to positively impact lives, promoting healthier and more sustainable living in Accra and beyond.

GREATER ACCRA REGION

CENTRAL REGION

The Omega Psi Phi Fraternity has made a remarkable impact in Kuntenase through its dual support for education and healthcare, furthering its mission of fostering community development and well-being.

As part of its ongoing commitment to empowering young learners, the fraternity donated essential school supplies worth GHS 75,000 to the KG School in Kuntenase. The supplies, benefiting approximately 300 pupils, included exercise books, pencils, crayons, erasers, school bags, and other learning materials essential for a conducive learning environment. Speaking at the donation ceremony, a representative from Omega Psi Phi stated, "Education is the foundation of progress, and every child deserves access to quality learning tools. This donation reflects our belief in empowering the younger generation and building brighter futures for our communities."

The headmistress of the KG School, teachers, and pupils expressed heartfelt gratitude for the fraternity's generous gesture, acknowledging the positive impact it will have on the students' learning experience.

Omega Psi Phi Fraternity remains steadfast in its commitment to giving back to communities, addressing critical needs in education and healthcare, and driving social development. The fraternity looks forward to continuing its impactful initiatives to create a lasting positive change in Kuntenase and beyond.

In addition, Brother Sherman Charles, the Grand Keeper of Records and Seal (GKRS) of Omega Psi Phi Fraternity, Inc., generously donated medical supplies valued at over GHS 20,000 to the Kuntenase Clinic. This thoughtful contribution has greatly enhanced the clinic's ability to provide quality healthcare services to the community.

NORTHERN REGION

In a remarkable effort to address the water challenges in the Buipe community of the Northern Region, two mechanized boreholes have been generously donated to the people. This initiative aims to provide reliable access to clean and potable water for approximately 7,200 residents, significantly improving their quality of life.

Community Gratitude

The people of Buipe expressed profound gratitude to the donors for this life-changing contribution. The community leadership pledged to ensure the proper use and maintenance of the boreholes to maximize their long-term benefits.

This generous donation reflects a commitment to improving rural water access and enhancing the living standards of underserved communities in the Northern Region.

AWARD & CITATION

Jonathan Akuamoah CEO/Founder of TCSR

**Presented during the Kuntenase Presbyterian KG School Speech and Prize-Giving Day Ceremony
Date: 5th July, 2024**

"Beacon of Educational Excellence Award"

In recognition of your unwavering commitment to education, innovation, and community development, the Kuntenase Presbyterian KG School proudly honors Mr. Jonathan Akuamoah, CEO and Founder of TEAM CSR Ghana.

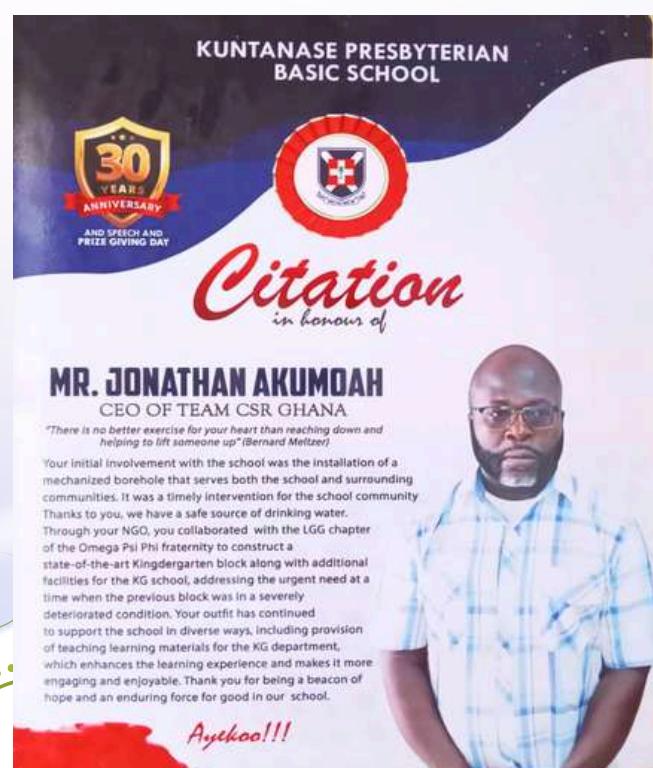

Your extraordinary leadership, vision, and passion for empowering future generations have left an indelible mark on our school and community. Through your initiatives and support, you have demonstrated that education is not merely a tool for personal advancement but a shared responsibility to build brighter futures.

Your contributions have inspired countless young minds, motivating them to reach their fullest potential. By bridging resources and opportunities, you have shown us that true leadership is measured by its impact on others.

As a token of our appreciation, we present you with this plaque and a commemorative gift as a symbol of our gratitude for your enduring dedication to the betterment of education.

May this recognition serve as a reminder of the profound difference you have made in the lives of our students, teachers, and the entire community.

Man of Impact

GUY CHAMBERS

Guy Chambers has been honored as the "Man of Impact" for his remarkable contributions to the Bonteso community in the Ashanti Region.

His generous funding, in collaboration with TEAM CSR Ghana, first provided a borehole to the community, ensuring access to clean and safe drinking water.

Following this transformative intervention, he further funded the construction of a modern toilet facility, addressing critical sanitation challenges and significantly enhancing the quality of life for residents.

Before these projects, the Bonteso community faced persistent challenges, including a lack of reliable access to clean water and inadequate sanitation facilities, contributing to the spread of diseases such as cholera and diarrhea. The borehole and toilet facility, facilitated by TEAM CSR Ghana, have been pivotal in improving health, hygiene, and overall well-being in the community.

These initiatives have not only eliminated open defecation but have also brought dignity, privacy, and convenience to the residents. With access to clean water and modern sanitation, the community is now better positioned to build a healthier and more sustainable environment.

The people of Bonteso extend their heartfelt appreciation to Guy Chambers for his unwavering generosity and to TEAM CSR Ghana for their dedication to making these vital resources a reality. Together, they have created a lasting legacy of hope and progress for the future.

GUY CHAMBERS

DONATIONS

In a powerful display of community support, TEAMCSR and Omega Psi Phi partnered to make a significant impact during their foundation celebration. They donated essential items to several groups and institutions, underscoring their shared commitment to improving lives and empowering vulnerable communities.

One of the key highlights was the donation of learning materials, hygiene supplies, clothing, and other necessities to the Street Girls School. This donation aimed to improve the students' well-being and educational experience, reinforcing the importance of education in transforming lives. During the event, representatives from TEAM CSR Ghana and Omega Psi Phi emphasized the power of giving back and encouraged the students to pursue their dreams, despite the challenges they face. The Street Girls School expressed heartfelt gratitude for the timely support, acknowledging its positive impact on the students' education and overall development.

In addition to the donation to the Street Girls School, TEAM CSR Ghana made several other contributions, including:

- **Donation of Echo Pads to Agree Memorial Senior High School in the Central Region, enhancing the students' learning experience.**
- **Donation of a Generator to Adukrom Clinic in the Eastern Region, ensuring reliable electricity supply for the clinic's operations and improving healthcare delivery.**
- **Food Items and School Supplies were provided to the Street Girls School in Greater Accra, supporting the girls' education and well-being.**
- **Food Donations to Motherly Love HIV Orphanage Home in Greater Accra, ensuring that the children at the orphanage receive the nourishment they need.**
- **School Supplies were donated to the Akropong School for the Blind in the Eastern Region, aiding in the education of visually impaired students.**
- **Medical Supplies were donated to Adukrom Clinic, improving the clinic's ability to provide essential healthcare services to the community.**
- **These donations are a testament to the power of partnerships in driving social change. TEAM CSR Ghana and Omega Psi Phi have once again shown their unwavering dedication to empowering communities and making a tangible difference in the lives of those who need it most.**

TEAM CSR GHANA

From the Desk of the CEO/Founder

Mr. Jonathan K. Akuamoah

We have been blessed to impact the lives of so many Ghamaians in need this past year. Our ability to raise funds to do this work is not by our might but through the blessing of God and words spoken into our NGO by the many mouths we have touched. Ghana continues to be a Mecca for many of our African American brothers and sisters who show their support and love of Ghana by partnering with us to make a lasting and profound impact on those less fortunate in Society. Working to help others and raising funds is not for the Feint of heart but we believe in our mission to change lives and will continue to do so by any means necessary. We have a goal to double our fundraising this year to 4 million Ghana cedis. Join us to help those in need and enjoy the blessings and gratitude spoken into your life by the people of Ghana.

*Thank
You*
